To whom it may concern,

I am pleased to write this letter of recommendation to Debra Weisberg as my personal home remodeling architect. She is consistently pleasant, professional, caring and available. She never too busy to answer questions, and listens to concerns. She does so with calmness, equanimity and professionalism. One of her best attributes is that she is a decent, honest person with lots of integrity. She has a great sense of humor and gets along well with her colleagues.

Debra's designs are unique characteristic about her that made her stand out, was her purpose to go beyond her love for architecture. She showed remarkable interests in my needs and expand on the future.

Without a question I know Debra would make a great addition to your architecture design and I recommend her highly with considerable pride.

Sincerely,

Gabriel Victor, M.D.
